

# Committees and Councils

## Associate Advisory Council

**Scott Rainwater, Chair**

The council's purposes and objectives are to promote Associates and their membership in all matters and interest of the BIAW, their local associations and NAHB; to provide communication between Associate members and the BIAW on issues important to the Associate membership; to promote professional leadership and development of the Associate members through education; networking and events, through their affiliation with the BIAW; and to promote "Members Doing Business with Members" of the BIAW.

## Bylaws and Nominations Committee

**Jeff Hansell, Chair**

The purpose of this committee is to submit to the Board of Directors, proposed bylaws changes and nominations for elective offices.

## Education Committee

**Ron Perkerewicz, Chair**

The purpose of the committee is to develop short and long-term plans to support increased educational opportunities for association members.

## Executive Officers Council

**FaLeana Wech, Chair**

The purpose of the Council is to create a forum for the sharing of ideas and information among the state and local association Executive Officers and staff in the state of Washington; to promote cooperation on issues requiring action and involvement of local associations and to provide an opportunity for input and feedback from the local associations on projects and programs undertaken by the Association.

Legislative Policy Committee

**Kevin Russell, CGP, Chair**

The LPC examines, analyzes and reviews existing and proposed legislation and regulations which affect members of the BIAW. The committee then determines legislative policy on behalf of the Association.

Local Associations Presidents Council

**Rick Hjelm, Chair**

The purpose of the Local Associations' Presidents council is to provide a forum for local associations elected leaders to promote professional leadership, share issues, ideas and common concerns, and enhance communications among local presidents, particularly those issues that have state-wide significance.

Long Range Planning Committee

**Robert Camp, Chair**

The purposed of the Long Range Planning Committee is to focus primarily on long range planning for the BIAW. The committee will be a "think tank" for BIAW.

Past Presidents Council

**Kyle LaPierre, Chair**

The purpose of the Past Presidents Council is to be a sounding board for any member of the BIAW and to promote statewide membership.

Remodelers Council

**Joseph Irons, CAPS, CGP, CGR, GMB, Chair**

The purpose of the Remodelers Council is to encourage governmental order, regulations and legislation which benefits the remodeling industry and to inform the Board of Directors on matters of interest to remodelers.
