

Health Insurance Tip of the Month

Did you know...?

As a BIAW/Regence Blue Shield Health Insurance program participant you are already enrolled in the **Vision Plus Eyecare Program**?

The Vision Plus Eyecare Program allows members and their qualified dependents to receive exceptional discounts on eyecare services and products through hundreds of participating providers nationwide. There are no added costs to participate in this program; if you are a BIAW/Regence Blue Shield member you are already enrolled!

To take advantage of these discounts, simply call any of the participating providers and schedule an appointment. Make sure to identify yourself as a Regence Blue Shield Vision Plus Eyecare Program member and give them your Vision Plus plan number—47135—to verify participation at time of service. Yes, it's that easy!

For more information on the Vision Plus Eyecare Program and to find a participating provider near you, go to www.wa.regence.com/member/advantages/vision/index.html.
