

# Health Insurance

**B** Did you know? **IAW**

## Tip of the Month

**A**s a Regence Blue Shield health care participant through the BIAW Health Insurance Program you can receive a 20% discount on Child Safety Products from Safe Beginnings. Safe Beginnings is a company that was started by parents concerned with keeping families safe and making parenting more convenient and enjoyable. Safe Beginnings, through their catalog and website, offer a large selection of well-designed, durable child proofing products, popular baby care accessories and home safety items. To find out more about Safe Beginnings visit them at [www.safebeginnings.com](http://www.safebeginnings.com).

It's important to do all you can to keep your children safe and this member benefit is one way members can do that. This discount applies to:

- child proofing products – safety gates, cabinet and appliance latches, outlet covers, hearth guards and window guards.
- Infant and toddler accessories – baby carriers, breast pumps, nursing and feeding items and developmental toys and videos.
- Family safety items – smoke and carbon monoxide detectors, fire escape ladders, and first aid items.

To find out how to get your 20% discount from Safe Beginnings through your Regence membership go to [www.wa.regence.com/member](http://www.wa.regence.com/member).
