

RETURN YOUR BALLOT

ELECTION JUST AHEAD

HOME BUILDING INDUSTRY-FRIENDLY CANDIDATES NEED YOUR SUPPORT

BIAW's political action committee, the Washington Affordable Housing Council (WAHC), has endorsed 89 candidates for the November 6 general election. The endorsements, as always, are focused on candidates who understand the needs of BIAW's home builders, members, and Washington small businesses. WAHC is proud to support and encourage your support of the following candidates for office. WAHC also voted to oppose I-1631, which would create a carbon tax and drive energy costs up for home builders and their buyers.

You can expect delivery of your ballot no later than October 25. And, with the new paid for postage ballots, it's even easier than ever to vote in the November 6 election.
