BIAW Builders,

BIAW has begun an exciting new program that can actually put money back into your pocket.

This exciting new initiative is our **BIAW Member Rebate Program**. Through this program, the country's leading manufacturers pay rebates as their way of thanking our members for their loyalty to their products. You may already be using many of these products, so why not get paid a rebate for something you're already doing? This program is just another example of how being a BIAW member helps your company be more profitable.

Nobody likes paperwork, so we've worked hard to keep paperwork to a minimum and keep the process simple. When you register, you simply indicate which of the eligible manufacturers you already use. Then, on a quarterly basis, our program administrator does the work of notifying the manufacturers, collecting your money, and mailing your quarterly rebate check.

**Now, here's the important information on why you have to act now.** If you register and claim before August 21<sup>st</sup>, you will be eligible for rebates on the products you installed in all the new homes or remodeling projects closed or finished from January 1<sup>st</sup> through June 30<sup>th</sup>. But you have to act now. Don't wait, you must register and fill out the claim forms by August 21<sup>st</sup> or you will jeopardize your rebate check.

More details, and the program registration form, are included in a newsletter at this link: [www.hbarebates.com/uploads/BIAW\\_Member\\_Rebate\\_Program\\_July\\_10\\_Newsletter.pdf](http://www.hbarebates.com/uploads/BIAW_Member_Rebate_Program_July_10_Newsletter.pdf) You also can learn more at [www.hbarebates.com/biaw](http://www.hbarebates.com/biaw). Please help us spread the word on this outstanding BIAW member benefit. We want to get as many members registered as soon as possible.

Your consistent support of BIAW through your association membership makes this program possible. It's just another one of the many benefits of belonging to BIAW, the voice of the housing industry in Washington. Thank You.

Sincerely,
